

Training the GIS Professional

Creating Story Maps with ArcGIS

Overview

If your map could tell a story, what would it say?

Thanks to their engaging user experience, story maps have achieved mass appeal as a vehicle to inform the public, engage stakeholders, and inspire an audience. This course – for anyone that wants to communicate with maps—teaches the concepts, best practices, and decisions that need to be made when creating and sharing a story map.

Who should attend

Anyone

Goals

- Design a story map based on your purpose and audience.
- Add web maps, images, multimedia, and text to create an engaging story map.
- Apply best practice to share and promote your story maps

Topics Covered
